

# Learning Approaches are Not Set in CONCRETE

How to build a great connection with your students

We don't need to change WHAT our message is, but HOW we deliver it!

1. Tell yesterday's story with today's style
2. Keep it short
3. Make it visual
4. Feed curiosity
5. Give the ownership
6. Make it interactive
7. Gamify you content
8. Offer a cause

Don't think ...	Think ...
Control	Connect
Inform	Interpret
What	Why
Do it for them	Help them do it
Impose	Expose
Prescriptive	Descriptive
Cool	Real
Lecture	Lab
