Church Covenant:

The Bible is God-breathed, free from error, our final spiritual authority.

There is one God Who exists eternally in three Persons: Father, Son and Holy Spirt.

All people have sinned, earning eternal death. Only by grace through personal faith in Jesus Christ can we receive eternal life.

Jesus Christ, the God-man, was born without human father, lived a sinless life, died on the cross to pay the penalty for our sin, rose bodily on the third day, ascended to the Father's right hand and will return visibility one day to earth.

At the end of time the bodies of the dead will be raised. The righteous will enter fully into eternal life, the wicked into eternal death.

As Christ's body, the Church, we are accountable to God and each other to live a life separated from sin and filled with the fruit of the Spirit. It is both our privilege and our duty to strive to win the world to Jesus Christ, our Lord.
