Are you interested in becoming a missionary but are not sure you are ready to go overseas? Then consider joining us in Salem, Massachusetts. Salem is a city of 44,000 people with fewer than 700 believers estimated to be living in the city. In the tri-city area of Salem, Marblehead, and Swampscott, that number increases to 79,000 people with an estimated 1000 believers. By any standard, if this area were a people group, we would send missionaries. So it is time we begin to think like missionaries.

We are looking for singles, couples, or families to move to Salem Massachusetts, and join God in his missional efforts to reach the lost, make disciples, and build the church. This is not a short-term mission trip. Anyone interested should anticipate a one or more year stay in the city.

You will be required to provide all of your own moving costs, housing, and living expenses. While we may be able to assist you with short-term accommodations, you will be responsible for finding somewhere to live in the city. We will be happy to help you look and connect you with people in the city who may be able to help.

Nearly 20% of our city is Spanish speaking, so both English and Spanish speakers are encouraged to consider this opportunity.

Our hope is to reach people from every age group so we encourage people from every age group are asked to consider moving to Salem.

If you think God might be calling you to Salem. Please contact us.
